

Earn two certificates in just 18-weeks!

New Dual-Certificate Personal Care Aide Program

for English Language Learners

- Designed for English language learners, the program provides job and communication skills at the same time to prepare for a job as a Personal Care Aide (PCA).
- The new PCA program welcomes ESL students at the Intermediate Low level and above.
- Students must commit to the full 18-weeks and for 16 hours per week.
- Course work will be mostly online, with limited in-person activities, following CDC guidelines including social distancing and mask-wearing.
- Call to enroll now; program is open to 20 students only.

Certificates Awarded

In just 18 weeks, students can earn two certificates at the same time:

- Personal Care Aide Certificate
- English as a Second Language for Workplace Preparation, Adv. Certificate
