# Welcome from the President

## Congratulations on your graduation!

Today is a special day. It marks the completion of your program of study at North Orange Continuing Education (NOCE). During your time at NOCE, you have demonstrated the ability to set, pursue, and achieve educational goals that will positively impact your life moving forward. Along the way, you encountered challenges and responded with enthusiasm and determination to achieve success.

This is also a special occasion for the parents, partners, family, and friends of each student as well as our NOCE faculty and staff. The achievement of a certificate, diploma, or program of study is seldom reached without the support and encouragement of those near to us. As we celebrate the outstanding work of each student today, we are united by a shared sense of achievement. I hope you will remember your time at NOCE and this day as one of the happiest times of your life. As you reflect on your graduation, I encourage you to consider the next steps in your educational journey. There are endless possibilities that await you at the North Orange County Community College District and beyond.

Best wishes for a successful future.

Valentina Purtell  
President
