PATHWAYS OF HOPE: FOOD PANTRY AND SERVICE NAVIGATION

PATHWAYS OF HOPE

Pathways of Hope leads a community effort to provide access to food, shelter, and housing to those experiencing hunger and homelessness in North Orange County. We are committed to rebuilding the lives of the hungry and homeless through emergency food, resource distribution, emergency and rapid re-housing, eviction prevention and other initiatives designed to help people in need. Pathways of Hope offers programming under three strategic areas:

- **Prevention and Outreach:** Food and basic needs supply distribution, delivering meals to homebound clients, emergency utility/rental assistance, outreach resources and service navigation
- **Shelter and Housing:** Two shelters in our On-campus Housing Program, rapid re-housing program and permanent supportive housing.
- **Advocacy and Collaboration:** Over 40 local congregations and community agencies partner with us in helping address poverty, hunger, and homelessness.
